SPACESHIPS

BETA

drives like a car, sleeps like a camper

Enjoy an unforgettable holiday in an Award Winning Custom-Designed Spaceship.

Spaceships Beta 2 is great to drive, packed full of improved features and fully equipped to explore New Zealand. It contains all the essential travelling equipment including a dual burner cooker, fridge/freezer, full size double bed with an extendable sleeping option under an awning, water supply, seat-belted seating for 3-4, air conditioning and a stereo with Ipod connector. Just the fact that you are driving a good car has its own cost savings and advantages in comparison with bulky campervans and motorhomes.

Drives like a car:

Fun, safe and easy to drive
Automatic transmission

Compact, versatile and comfortable
Easy to drive and park

sleeps like a camper:

- **Large double bed** (use it fully inside or extended out the back for good ventilation and **30% more space**)
- **Self-Charging Battery System** – with up to 24 hours battery life so you don't need powered camps each night.
- **Seat-belted Seating for 3-4.**
- **Large Lockable Storage Space.**
- **Unique 3 in 1 Swivel Seat Design** – three positions of the back seat for internal seating, eating and sleeping.

Advantages of travelling in a Spaceship:

- Enjoy the **freedom and flexibility** of driving a cost-effective vehicle with the option of either staying in a hotel or at a campsite.
- **Lower fuel costs** because of vehicle size.
- There is no need for powered sites in camping grounds as Spaceships second battery self-charges as you drive giving you **more freedom and saving you money.**
- **Save money on the ferry** as a Spaceship is classified as a car.
- **Better sleeping environment** with larger comfortable bed and insect-proof vented window for air circulation.
- **Extra long bed to 2.37m** - available on request.
- **Free after hours pick up and drop off service available.**
